great neighborhood place
Posted by [smschleicher](#) on 07/11/2005

Although the food menu is a bit limited, everything that I've had on it is quite excellent. They focus mostly on sandwiches, but all of their hot meals are also excellent (try their homemade mac & cheese). The wine selection is extensive, and they have an educated selection of beer choices. While small, there is both an indoor and outdoor section, and the decor is charming.

Pros: great food, great wine selection, local small business
Cons: limited menu
Overall user rating: **Highly Recommended**
